**Private Property Accident Information Form**

Information exchange is required by law. This self-reporting form is a service provided to persons involved in non-injury private property accidents. This form is for you to retain, and it will *not* be kept on file at the Liberty Police Department. This form is to aid you in documenting the *other* driver's information. Do not write your information on this form (except your name). To ensure legibility, it is recommended that each driver uses a form to print the other driver's information. You may use the notes section of this form to explain the events of the collision. You may use the back of this form if you wish to draw a diagram of the accident, or to indicate further information for your own records.
